

THE ARK ROOM

AT THE SCHOFIELD HOTEL

Inspired by local history, this state-of-the-art boardroom has been thoughtfully designed for groups of 12-15 attendees. The Ark Room's 450sf perfectly accommodate formal meetings, creative workshops, break-out sessions, mock trials, executive retreats, private dining & social functions.

UPGRADED FEATURES OF THE ROOM INCLUDE:

1. Convenient access off of the second floor elevator lobby & stair from the hotel lobby
2. Built-in service counter with coffee machine & under-counter fridge
3. Custom conference table with ample power & data for all attendees
4. 75" QLED monitor
5. Optional additional monitor locations to suit any presentation & teleconferencing needs
6. Fully integrated A/V system
7. WIFI network with dedicated zone
8. Dimmable general & accent lighting
9. Sound separation & privacy

Levi Schofield was one of the early members or "Arkites" of a Nineteenth Century Cleveland social club known as "The Ark". It was one of the most unique social clubs in the world; a series of gathering places where prominent locals could read, converse, and socialize. Wildlife specimens were collected and studied as a precursor to the Cleveland Natural History Museum.
